*Tax Increment Reinvestment zones (TIRZs) are special zones created by the Gunter City Council to attract new investment in a specific area. These zones help finance costs of redevelopment and promote growth in areas that would otherwise not attract sufficient market development in a timely manner. Taxes attributable to new improvements (tax increments) are set-aside in a fund to finance public improvements within the boundaries of the zone.*

**About the Board:**

*Membership consists of a seven-member board. All commission members must live in the Gunter city limits within The Bridges Development. Members serve for two-year staggered terms. Meetings are held on an as needed basis at Gunter City Hall.*
